Shortsville 22<sup>nd</sup> Sept. 1883.

Dear Sir

I sent you  
yesterday a sample of  
Silver lead or Galena  
as I suppose. Will you  
please make an  
exhaustive analysis of  
the same and send me  
the result as soon as  
possible - Send C.O.D.  
by express or if you  
will let me debit the  
charges I will remit  
you the amount at  
once

Prof. Barrington  
New York }

Yours resp<sup>ly</sup>  
G. W. Gordon
