New Haven, Ct., Dec. 30. 1883

My dear Dr. Harrington -

Your good wishes were most welcome and are most heartily returned - May the New Year bring you and all your family a great deal of happiness. Sometime Mrs. Dana and myself hope to have the pleasure of seeing you and your wife in our home - you must not fail to grant us that, if the opportunity presents itself. With many friendly greetings from my wife and myself -

Very cordially yours

J. Dana
