Mar 10 1884.

Prof Harrington

Sir

Your favor at bid. The forward book for Mael
enclose bill. No 30073

Lungston on the Comp of Dawsonite is a typographical error. It is a paper by yourself we therefore did not send it.

Your paper on Apatite on No 35052 has been sold, and we have none at present.

We have sold all your papers except the Dawsonite. We send you four specimens of Caccolite. The largest

A. E. Foote

March 19th 1887

specimen) has a red mineral
that has not been analyzed as
yet. if you care to do so. I will
send you a lot for that purpose.
The smaller specimens are
among the most beautiful
crystallized ones that I found.

It is undoubtedly a new
specimen and has been so
decided by Prof Dana &
others - What the specimens
that you do not want for may return
Yours

A. E. Foote
