My dear Harrington.

The property having the
deposit of "Capric Sulphide,"
near Pembroke and not
so far away as you
supposed. Would you
kindly let me know what
proportion of sulphur it
contains; or if you think
it so small, as to be
of no value, so near

a market. I do not wish
to give you the trouble
of making ~~making~~ a
second analysis.

Remain

very truly yours

L. A. Grant.
