My dear Sir -

The box only leaves  
to-day, Wells Fargo & Co will forward  
it to you, Chp. pd. If not too much  
will you kindly send Mr. Reohite a  
postal card asking him to send for  
his box. You will greatly value me by  
day so.

I have a lot of good notes on  
the pottery & lines arts - also, from  
the prehistoric graves of the Chiri-  
qui District in this state, also some  
photos, with the subject be a suitable  
one for any Canadian Socy. I mean as  
a subject for a paper? -

With kind regards

Yours faithfully -  
Walter Nelson
