

Monday Mar 16.

Dear Dr. Harrington
 yr notes received.

I am changing my plan at the last moment
 and go to Ottawa instead. Johnson wants
 me to go for the Com. of R. S. C. I see the
 Minister of Marine. + Ross found that he
 could not be in Quebec this week. So that
 is deferred till next week. I shall see
 Dr. Bell probably. I am glad to give
 my lecture on the 26. + hope to be here then.
 I have been the dept. Agriculture + hope
 to get something down from our proposed
 Botanic Garden + Arboretum in Ottawa.

Yr very sincerely
 J. Steyermark

Dr. B. J. Harrington.
