My dear Doctor,

Your note rec'd. I am very glad indeed to hear that a Laboratory is to be built & hope it will be finished in time for the opening of the session. Enclosed please find my check for Twenty five Dollars which will doubtless be useful in purchasing some few sundries which will help to make

your ^{stock of} apparatus complete. I will ask
you to bring a few small things over for
me but as I cannot enumerate them now
shall drop in and see you or leave a note
for you before your departure. With kind
regards to Mrs. & yourself.

Yours faithfully,
Jeffrey M. Burland.
