

THE CHEMICAL LABORATORY,  
THE UNIVERSITY OF TORONTO,

TORONTO, Dec 16<sup>th</sup> 1898

Dear Dr Harrington

I fear I can not get away  
to attend your opening Reception, much  
as I should have liked to do so. I must  
take another opportunity of seeing the  
new Laboratory.

I hope Dr Rutten gave you one of  
my circulars re Scientific Apparatus  
if not ask him to do so.

Very truly yours

William H. Pike.
