

JOHNS HOPKINS UNIVERSITY.

BALTIMORE.

Dec. 16, 1898.

My dear Dr. Harrington: I have  
tried earnestly to arrange  
my affairs in such a way  
as to make it possible for  
me to get to Montreal next  
week, but - I have not been  
successful, and, hence, I send,  
somewhat late I regret to  
say, an official note of  
regret. I heartily congrat-

ulate Myrtle immovably upon  
this magnificent gift. I am  
sure that, in future years ~~at~~  
~~present~~ - the voices of Chemists  
as they are no doubt heard  
at present,  
will be heard, crying aloud

" Blessed be the name of  
Macdonald!

Again thanking you for  
the invitation,

I am,  
Yours sincerely

Geo Rensen.
