

Regent's Park College
London, Oct. 8/65

Dear Sir,

Kindly tell me what you know the movements of our young friend George Dawson, who ought to be here before this. The delay makes us and Dr. Bigsby feel anxious about him. Dr. B. has engaged good lodgings for him at 30/-, under the roof of a kind motherly woman.

Hoping for a line soon

Yours truly

Brns: Davies.

Report Bank College
London, Oct. 8/82

Dear Sir,

I have the pleasure to inform you
that the movement of our young
friend George Dawson, who ought
to be here before this. The delay
made in our 2. Reply has in
fact about him.
has enjoyed good luckings for him
at 21, under the roof of a King
and very warm.

Hoping for a fine season
Yours truly
Wm. G. Bell
