

Sept 22

Dear George

I enclose a few
 lines to say that your notes on
 the frames are in print, and
 to him as I can get a
 copy of the revised June
 send it. I send a paper
 containing the result of
 the Scholarship exams, in
 which William comes off
 well. I have received the
 Peterson you sent; and
 hope advantage will be
 taken of Stellan's retirement
 to do something for historical
 Science in Solina. It is certainly
 a great help that Marchion comes
 out with his endorsement. I
 write on the Supper that
 you will be at Waboy St. Please
 say when you write how
 all matters are with the
 priest, and who are the
 lodgers. Mananna mentioned.

our idea of showing Götting with Supt
Bismarck of my presence of the
even, must be very small
cannot at present of volume, air
Gretchen, comfort and stability.

There is great pleasure in the
of different objects of study in
of the first six, and in the
an new set of subjects. To
I have those you are
donation please recent some

With ever love & respect
Yours truly
M. Bismarck
