Oct 20/70

Dear George,

I now enclose
exchange for £ 30 sterling,
which please deposit to
your cr.

I quite forgot when
I wrote last week
to say anything of
Nichol. I shall send
it by mail; but it
is a very old edition
almost obsolete I
should think. Miners
Magazine must be at
a low ebb if they
cannot find a better
British text-book.
It will not however cost
much to send it over
and it is of little use
to me, so send it
to you by post.
McGill
