Application for
position in B. N. 250
Quebec Jan 1873

In the examinations at the Close of the third year ~~of~~
I obtained the Associateship of the Royal School of Mines, &
was awarded the Edward Forbes Medal in ~~Geology~~ ^{Nat. Hist.} &
Palaeontology.

Through the kindness of Prof Ramsay Director General
of the Geological Survey in Great-Britain, I had the advantage
of spending part of a Summer with ^{year} the Survey in the
field.

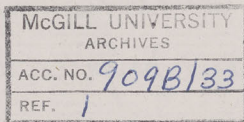

I have also had some experience in Mineral Surveying
in Nova Scotia & Elsewhere.

I have the honor to be Sir

Your obed. Servant

George M. Dawson

Quebec Jan 29 1873

To Hon J. C. Aikin. Secretary of State
Ottawa.

Sir

With reference to ~~the~~ ~~above~~ ~~mentioned~~ my application for
~~an~~ ~~the~~ appointment as Geologist & Assistant to the Boundary
Commission Expedition. I may state my qualifications for
the position as below. ^{extending over three years}

The regular course of ~~instruction~~ ^{study} at the Royal School of
Minis. London. Including the Subjects of. Chemistry
Theoretical & Practical. Geology. Mineralogy. Mining.
Natural History. Palaeontology. Metallurgy with
practical Assaying. etc

At the examinations of the second year I was
awarded the Directors Medal & prize in Geology, &
the Duke of Cornwall's Scholarship for greatest
General proficiency.
