

July 2 / 43

My dear George,

I enclose a letter  
from Home received to-day,  
which settles the Sunday  
question. I hope you will  
fully receive your mind  
to it and make the  
best of it. The Ottawa  
people all promise to  
give every scope for doing  
good work, so that I  
think it will be a good  
thing, and Sluzer will  
arrange to have any  
parties he may deem  
arranged so as to suit  
you.

The Rentier matter has  
entered in a new phase  
We pay \$10,000 now and  
ask for returns till  
May for remainder. This  
will I fancy be arranged,  
and then if he succeeds,  
parties will be sent  
to verify reports in  
May. You will not  
I think require to take  
any farther trouble with  
it.

So soon as the appreci-  
ment comes from Ottawa  
you will have to advise  
Edg. receipt. We shall  
see what it says as  
to true and place

of the vesting period and shall  
among ourselves. I received  
asked me to read up the technical  
part about the Roman, Greek, Latin,  
Hebrew, in French, Italian, as  
the necessary exercises; and I shall  
to & have been before me before  
any Spanish books on the history  
of the Spain.  
So tell us when you  
are to submit the article you want

Now you will be happy to  
know the situation of the  
I shall not say any more  
by & compliance, you at least are  
prominent; I think some  
you may be concerned in  
part on you are about  
part with.

Yours affectionately father  
M. D. Warren
