Dear George

Yours of Saturday
reached us today, and
we hope you are well,
safe and prepared for
your voyage, though we
are sure you had to
wait so long at dull
Little Collingwood. Free
by the newspapers that
Capt. Cameron has been
at Fort Snelling recently, and
is to proceed and send a
party west. We suppose
you will find them all
on the same when you
get to Pembina.

I received your letter
about the San die, and
agree to name right
taking it with me
Pentecost to Telegraphing

I hope my letter enclosing
Brighton reached you at
Cilleypurud. If not you
will I hope find the
original writing at
Pombina Y.M.D.

Papa says to tell you that
Sander's has got the £
invoice of his goods & the
chronometer is coming next
week. He will forward it
by parcel post. Mamma
got your letter of Saturday
& would write but is busy
busy with papa going away.
W.B.D.

He wants me & I do
not know what news
differently he has got
into; but I shall
take no further res-
ponsibility for his delays.

We have taken
a house at Riviere du
Soup, and hope to
be there during July
and August.

I shall send Nature
updates & occasionally other
periodicals, William has
ordered the Spectator & the
Sunette, and I shall see
about a London Paper,
Books can be sent if
you wish them I believe
at a cent an ounce.
Did you take a copy of
my new book with you?
If not I shall send
me.

Please give us full details of how
you feel and write as often as
you can, we shall be very
glad to hear from you. We shall
be so sorry with us that we shall
have little to tell. May God
bless you in all things and
keep you in all sorrows.

Schubert's Works Book has
just arrived in 5 volumes. The latter
volumes also Magus on Brit Columbia. The latter
seems very good & not worth sending out to you.
