

Little Metes

~~July 30/75~~  
August

Dear George,

We received  
 a day from Postal  
 Card of July 25 from  
 Humboldt Station, and  
 are very thankful to  
 hear of you. Continued  
 welfare. We are all  
 well. Mamma and  
 I go up to Montreal  
 to 2 weeks - en route  
 for Detroit. I have

received here the papers  
in for Genl. Bay, and  
shall remit the  
fee as soon as I  
return to town.

I enclose for your  
signature the above  
copy, which please  
sign and mail  
to W. W. Lighter of  
Treasurer Genl. Bay, Room 2  
Exchequer House, London.

I shall write again  
from Montreal or  
Detroit and send  
nature of the paper  
as they come.

Yours  
ever affectionately

James M. Dawson

P.S. I have read here  
all proofs but a little  
of index and last  
part of plants. These

are to wait me  
in town, and I  
hope to have the  
whole ready for  
starting up before  
I leave for Detroit
