Dear George,

Your welcome
letter from San Francisco
arrived to-day, and
we are rejoiced to hear
of your safe arrival,
and hope to have
good news from you in
two weeks. I have
sent several letters
& papers.

I shall add the
names you mention to
the list. I read on
Saturday the last

purpose of the Report
and Stewart is to
send me a complete
set of sheets to-day
or to send them
to-morrow to Detroit.

I enclose a few
pages to sign and
the \$500 from
Renters, which
I may possibly suc-
ceed in getting

out of payments to be
made to him. Please
date & sign it and re-
turn it by mail.

We (that is William
and I) leave this
evening for Detroit,
and hope to be
back here about
the 20th or 21st -
It is not likely we
shall receive letters
from you till we

Return; but we
may write alone
or two from Detroit.

With all love
and kind regards
Yours affectionately
W. Duane
