

M^cGill College.
Montreal.

July 23/75

Dear George,

Mamma and I
returned safely on Saty,
and have intelligence
for William & say 7
for Frank first and for
Anna and the rest
up to Thursday last,
they are to return and
of this week or be
joining of next.

I got from the
Newell office today

27/28
a complete copy of
your Report, and
am looking over
it to see that the
plates be all right
It will now be
ready for issue
in a few days,
and I shall
mail Cameron's
your copy copies.

I have had two
postal cards from
the photographer at
Ottawa excusing
delay, and for
many the photos in
a few days.

There is a fairly
good notice in Nature
of June 10th of
your Paper on the
