Dear Sir,

I observe a notice of your  
"Report on Mt St Elias" & take  
the liberty of writing to ask whether  
I can procure a copy of the work,  
& where.

I feel a natural interest in St Elias, as  
being one of the corner-posts of the  
region I am now engaged in geologically  
exploring

Yours Very truly  
George M. Dawson
