

Edinburgh 26th May 1846

Dear Sir

By some oversight for which
I beg you to accept my
sincere apology the enclosed receipt
was not duly signed and
forwarded to you. I received
the copy of the Report and
thank you much for your
kindness in including me in
the number of recipients of
the volume. It is an
admirable piece of work and
I hope it is only the prelude

to their and greater achievements
with which you will enrich
our favourite science

Believe me

Yours very truly
