

Montreal

Sept 1/26

Dear Genl,

I have just re-
 turned from Ottawa, where
 I have learned that the
 Govt will certainly act on
 Selwyn's recommendation,
 but may not put Mr.
 Murray in Selwyn's place;
 but only on the staff -
 at \$1600. I have con-
 sequently written the letter
 of which I send you
 a copy to Selwyn. A
 very good testimonial from
 Hawley was reached me,
 and others will follow,
 I shall keep them for
 future contingencies.
