

Oct 23

Dear George,

This arrived
by mail today. I
have replied that
I cannot get any
explanation here, but
send the whole to
you. If you think
it necessary to telegraph
I can probably send
a cable from here
at 25c per word, but
perhaps there is no
time, and I have
sent to Capt St. that
if he does not hear
in time, he had better
publish his own figures
& state his explanation.
I shall send by mail
a very favorable review of
your report in the Leader
the organ of the U.C. Friends
and you even
W. Dawson

in the computations at
Montreal by some one is
there still and can explain
the mistake, if there be
one. But if not, will
you kindly forward the
Memorandum to Victoria

as I am anxious not
to put down any thing at
variance with what has
been already published, while
at the same time it is
desirable to know the true
altitude of such a prominent

landmark as the W. Battle.

I hope you will
excuse my troubling you
in this matter and

Believe me

Faithfully yours

A. Featherstonhaugh

October 9th.

Dear Sir

In preparing the
general report of the N.A.B.C.

I have met with a

slight difficulty about the

attitude of the W. Battle

which I have set forth

in the accompanying memo.

It is possible that Mr.

G. M. Dawson was attacked
