E. A. Prentice Esq

Dear Sir,

Having recently returned from
British Columbia, & finding that you have
not yet taken any steps toward recommending
me for professional work done in connection
with the exploration of the Victoria Iron Deposits,
I take the liberty of reminding you of the
circumstance, & the fact that on a former
occasion I had paid my charge for services then
rendered, at Five hundred dollars (\$500)
which in view of the statements in your
letters by which I was induced to undertake
the exploration, as well as the time occupied
& expenses incurred by me, I consider a
very moderate demand.

You will perhaps remember the favorable terms
in which you acknowledged my Report & which
as I understand were fully justified ^{by the expense} in looking

Review the real value of the property to
Capshants.

I hope that you may be able to give the
request now made, your immediate
& favourable attention
for the payment of the sum above mentioned

Yours truly
Geo. W. Dawson
