

I shall be here
looking for things
I shall do with some
with the money as to
Went to Montreal
I cannot find
the

M. Gill College.

Montreal.

June 22/77

Dear George,

Yours of May 27
from Ramloops arrived
I saw mail with
one from William of June
& from Nancy, where he
is looking at new
cannon works, and
we were thankful again
I have good news from
you both. Your letter
enabled us to trace
you prepared write us
the map, which seems
a good one. I hope
your journey will be

irrepressible in every way.

Matters here are as usual. Rankin shows me the fr & mets on Monday 25th, next morning and I & Anna & body are to follow on the 29th.

I shall go on into Alaska, to get some new facts for my new edn. of "Arctic Seals." Hunt was here last week & I had a long discussion with him. I think I have shaken him a

little and hope he
will be left extreme.

Pop writes to me that
they are sinking a shaft at
Polms, and have taken
out 150 tons of good ore.
The whole thing looks
very promising.

They have had a
terrible fire at St Johns
M.D. - burning up most
of the business part of
the city, Banks, Churches
&c. I have sent a
little money to Mrs
Stewart, who I hope
however is not among

the direct sufferers.

Dull is here
looking for
suspects
of the

There are no further
developments about the
removal of the Survey
board will probably
be quiet until next
meeting of Parliament

Send an "Native" as
it comes, and an accu-
mulating pile of Reports
of American Surveys, &c.

Give a report that
one of the Rocky Mt. Depots
of the C.P.R. has been plundered
by the men in charge killed
by Blackfeet. I hope this idea
will not spread.

Mamma sends love,
and says she is ashamed she
writes so little; but pleads many
old cases charges prevents re-
over your affectionate father
