

CANADIAN PACIFIC RAILWAY,
OFFICE OF THE ENGINEER-IN-CHIEF.

Ottawa *John Day* 1879

Dear Mr Dawson

I have sent the
messenger to find you &
show you the way to my
Office if you would be
good enough to come. Or
let him know what hour
you could come so that
I may get those who
are going to B. C. together

And separately determine
what is required in
the shape of supplies
such as ... etc etc

Yours very truly
Sandford Fleming
