REF. 95

My dear Sir,

In answer to yours of the 7th, I have made inquiry as to accessible magnetic observations in the W.W. Territory & Brit. Columbia. Mr Fleming returned some time since from the Can. Pacific Ry, but on application to Mr Schreiber, now in charge I have received his promise to have a list of magnetic observations obtained on the various location lines in B.C., made out. I hope to be able to forward it in a few days. I also applied to

Mr. Lindsey Russell, now Deputy
 Minister of Interior & in charge of
 Dominion Land Surveys in the
 North West. He ~~told~~ me that nearly
 all the magnetic results here
 already furnished from time
 to time to Mr Hilgard of your
 Survey, & are doubtless accessible to
 you. There are however a few
 additional ones, which he promises
 to get put in shape very shortly,
 & which I may be able to transmit
 to you. I have secured from
 Mr Nelson, I believe a careful
 observer, a list of observations
 made during the progress of his

27

The above is a list of the
 specimens of the genus
 which I have seen in
 the collection of the
 British Museum, and
 which I have compared
 with the specimens
 of the same genus
 which I have seen in
 the collection of the
 University of Cambridge.

Surveys in the S.W. part of
the NW Territory, & enclose
the same herewith. Also a
few observations made by
Mr Webster of this department
on the Peace River & vicinity,
which may aid in filling a
gap. In place where sent, as
will receive a copy of the new
map of the district, which I
hope to mail to you tomorrow.
Hope that the above may
