North-West Territories,

Winnipeg, 10th March 1882.

Recd.
March 15-

My dear Dr. Dawson,

My father has forwarded to me a copy of your Report on the Coal locations, which I have read with much interest. He has sent it to the Dept applications for the relocations you recommend.

We are sending up miners & mining machinery in the Spring, and I think it probable we shall work the mine at the Blackfoot Crossing as the R.R. will likely pass in close proximity to it.

Thanking you very much for your readiness in the matter

Believe me, Yours Sincerely

Erlyer
