Dear Dr Dawson

I am Gill's secretary for this week. he has not been able to find time to write to you himself, so has entrusted ^{me} to tell you about the Bankings &c.

Gill had a holiday yesterday, it's being Shakspeare Day. I am thankful to tell you that the St John's Bridge is finished, so I am in hopes he will not have any more very hard work for some time.

We are all so glad to think that you are having a rest now, after the excitement at Southport, we hope you will take advantage of it.

Hill & I were at Mrs Redpaths
dinner last evening, we spent
a very pleasant time, all
the guests were so nice & Miss
Redpath, was so bright &
happy - I am so glad for
her, she looks so different
now, that care worn look
has quite gone, ~~but~~ Mrs
Fleet was also there, every
one was so bright & cheerful.

Hill deposited for Salary
in the Bank of Montreal, & the
Balance is \$1946⁰⁰. He also
deposited five hundred of \$330⁰⁰ in
City & District Savings Bank,
balance - \$702⁰⁰.

He received \$5²⁵ fr. Mr Baynes
for expenses of Power of Attorney.

Rankine has just been in,
say, he will write if he
can this week, but if he is

prevented, he asks me to say
that he intends to sail for
Quebec next week, (17th) by
the "Parisian", so if you should
leave England before he
arrives, he hopes to see you
in London, or wherever you
may be, at the time. We
shall miss him very much
as he has been quite a
company to me, while
Trill was so much at the
Office.

Anna & the children
are all well, but has
had a little cold; the
weather is getting a little
colder now.

We are very comfortable &
happy in the old house,
the furnace is now lighted
so we are kept quite warm.

We are both very well & very
happy; & I like housekeeping
very much indeed.

Please give our kindest
love to dear Mrs Dawson, &
Eva, I hope you are all
enjoying the climate of
England, it will be so
nice, & so interesting to
have you all back again
with us.

I do not think there is
any more to tell you,
hoping you are all well.

Dear
Aunt

Your affec^{ate} daughter

Florence Dawson
