My dear George,

Guns have

duly arrived and are now  
in my possession. I shall  
have one forwarded to McConnell  
at Medicine Hat as you desire  
when opportunity offers. Enclosed  
find invoice and vouchers,  
showing charges to amt. of \$25<sup>00</sup>  
which I have paid. I demurred  
at first in reference to \$10<sup>50</sup>  
for freight on portable boat as I  
had no intimation of this from  
you, but Harris & Chapman  
assured me that it was O.K.  
had been arranged so between  
McConnell or yourself & Kingston  
Smith & Co. Kindly forward cheque

2/ for above when convenient.  
Weather has been unusually  
warm and oppressive during  
past few days. Present sensation  
here is a fire & explosion which  
occurred last week and resulted  
in one death & a number of injuries.  
I enclose paper with account.  
Latest from home reports  
all well there. Eva at Mother's  
Father preparing to leave for  
west via Lake on or about 25<sup>th</sup>  
of month. Miss Galt's wedding  
to take place tomorrow (3<sup>rd</sup>)  
Was glad to receive your note  
with news of wellfare and  
progress, as I have continually  
to answer kindly enquiries  
from your numerous friends  
& acquaintances here.

Believe me

Your affectionate brother
