My dear Sir,

I beg to acknowledge the receipt of the Pacific Coast Pilot. Alaska. Part I., which I found waiting we here on my return from the west. I am looked through the volume with much interest, & shall have frequent occasion to refer to it. Respecting the Queen Charlotte Islands. — I am sorry I had not an opportunity of inspecting Ingraham's work at the time I wrote my report on the islands as I should have been glad to have adopted such of his names as had not been subsequently fixed otherwise, & referred at greater length to his surveys.

Yours very truly  
George M. Dawson
