Dear George,

Many thanks for  
 your kind answer about  
 the Churook and the  
 matters. I wish I could  
 go up to Ottawa to  
 shake hands with you  
 one more before you  
 leave, but this is  
 impossible. All our  
 good wishes and prayers  
 go with you, for the  
 highest purposes of your  
 journey and the best

Results of your explorations.  
Please write as often  
as you can and even  
if you can only send  
a few lines they will  
always be precious to  
us.

Mamma has just  
had a long letter from  
Samuel written on his  
arrival in Australia. He  
has had so far a  
pleasant and prosperous  
voyage and seems to be  
in good spirits.

All our dearer patients  
are now in the wedding  
way and Sue and  
Edith quite better and  
improving about. Cecelia  
was taken ill and  
yesterday was in full  
blossom. This little  
trouble with church's inability  
to get a nurse gives much  
work & anxiety to mamma,  
but we must be thankful  
it is not worse.

We got our first
