My dear Mr Doll,  
Yours of the 5th received  
yesterday, including copy of your letter  
to Mr Bayard for which I am much  
obliged. There is a dreadful slowness about  
getting the printed copy of my report &  
letter but I have not forgotten the matter  
& hope thus to be able to respond in kind  
in a day or two. I am sorry to learn  
by your letter that you have not yet entirely  
recovered your wretched health.  
I have sent you some photos. of fishes & Dr Bean  
not expecting to hear of anything new but because  
it seems wise not to speak of them at

random

Yours very truly
