

Mejell Wel
May 9/92

Dear George,

I enclose a few corrected copies of Rowkes's educational work. He has I think finally made up his mind to return to England and to take his chances for some medicine appointment. If he fails I fear he will have little heart for anything further, as he seems quite discouraged, but perhaps he may be indeed to be content with small things in Newbold.

We are all well and glad to hear by telegram the safe arrival of the Majesty.

Ever yours
Wm D Webb
