

FORM 1.

Cox's Patent INFOLD. Canada, Nov. 10th, 1883; U.S., May 27th, 1884.  
To open, tear off the colored label at perforated mark

# The Great North Western Telegraph Company, of Canada.

OPERATING THE LINES OF THE MONTREAL, DOMINION AND MANITOBA TELEGRAPH COMPANIES.

This Company transmits and delivers messages only on conditions limiting its liability, which have been assented to by the sender of the following message.

Errors can be guarded against only by repeating a message back to the sending station for comparison, and the Company will not hold itself liable for errors or delays in transmission or delivery of unreported messages, beyond the amount of tolls paid thereon, nor in any case where the claim is not presented in writing within sixty days after sending the message.

This is an unreported message, and is delivered by the request of sender, under the conditions named above.

H. P. DWIGHT, President and General Manager.

Money orders by telegraph between principal telegraph offices in Canada and the United States.

To open, tear off the seal and label at perforated mark  
Co's Patent (No. 130,000) Canada, Nov. 18th 1883. U.S. Pat. No. 250,000  
Year 1

The Great North Western Telegraph Company of Canada.  
OPERATING THE LINES OF THE MONTREAL, TORONTO AND MICHIGAN TELEGRAPH COMPANIES.

This Company transmits and delivers messages only on condition of paying the tariff, which has been ascertained by the  
sender of the telegraph message.  
Messages may be received against only by depositing a message back to the sending station for compensation, and the Company will  
not hold itself liable for errors or delays in transmission or delivery of telegraphed messages, beyond the amount of tariff paid thereon,  
unless any case where the sender is not provided in writing within sixty days after sending the message.  
This is an international message, and is delivered by the request of sender, under the act of 18th March 1876.  
H. F. DWIGHT, President and General Manager.

Money orders by telegraph between principal telegraph offices in Canada and the United States.
