

ADDRESS REPLY TO
THE CHIEF ENGINEER, DEPARTMENT OF
MARINE AND FISHERIES, OTTAWA.

Chief Engineer's Office,

DEPARTMENT OF MARINE AND FISHERIES,

Ottawa, Canada, 11th Jan 1895

Refer to File No.

My dear Dr. Dawson -

I was not sure until
this morning that you had actually
been appointed Director of the Survey.

Permit me to congratulate
you on your well merited
promotion, and to express my
conviction that the country also is
to be congratulated.

I hope you have
before you many years of
useful, successful, and happy
work

Yours sincerely
J. M. Anderson
