My Dear S Dawson,

I have much pleasure to  
congratulate you on your well deserved  
promotion as Head of the Geological  
Department of the Dominion, it is  
only another step onward

I happened to be in Montreal  
this week & understood that you were  
to read a paper on hydraulic  
mining in the Casino District BC  
but as you were not there in propria  
persona, I didn't hear it - may  
I ask you to let me have a copy  
when ready. you are always  
so kind in sending me copies  
of your papers which I appreciate

very highly - and shall be  
glad to have a copy of your  
papers on hydraulic mining  
- B. C. with kind regards

Believe me your friend
