My dear Dr. Dawson

I have with much pleasure just read in the City newspapers that you have been appointed Director of the Geological survey on the superannuation of Dr. Schuchert. Allow me to congratulate you and to express my opinion that the Govt. has for once done a praiseworthy act that will benefit the country at large, wishing that you will be shared a long term of usefulness in your important position.

I am

Yours very truly
Marcus Smith

My dear Dr. Dawson

I have with much pleasure
just read in the City Dispatch
that you have been appointed
Director of the Geological Survey
in the reorganization of D. H. Miller.
Allow me to congratulate you
and to express my opinion that the
Govt has for once done a praiseworthy
act that will benefit the country
at large, wishing that you will
be shown a large amount of usefulness
in your important position.

I am

Yours very truly
Marcus Smith
