LONDON. S.W.

24 Jan'y. 1895.

Dear Dr. Dawson,

Just a line to offer
you my hearty congrat-
-ulations on receiving
the appointment of
Director of the Geological
Survey in succession to
Dr. Selwyn. I sincerely
trust that you may long
be spared to fill the
position with that credit

to Yourself & advantage
to the Dominion which
have always identified
Your work in the past.

With kind regards,

I remain,

Yours faithfully
Charles Tupper
