Dear George,

Many thanks.

For your letter of 13th
inst.

I begin with biography -
my idea is that it sh^d
be as far as possible an
autobiography, - in other
words that what he has

2/ himself written 5^d be
edited, - perhaps severely
edited, - and that an
appendix 5^d be added
containing, say, some
of the more important
press notices & other
appropriate reports.
