Aug. 23. 1900-

Dear George,

I am sending  
a line on the chance  
of its reaching you,  
merely to say good bye  
again for the present,  
and to thank you  
for your much appreciated  
hospitality.

I don't know where I have

21 enjoyed a few days  
more thoroughly -

I had a long chat  
last night with Mr  
Walker of the Bk. of Com-  
merce, & today Waldo  
has promised to show me  
some wonderful Hogarth  
prints of his -  
I have <sup>named the Chap<sup>r</sup> &</sup> had the  
little prefatory note typed,  
also the list of honours &  
distinctions. So far as  
I know the only thing

remaining to be done

is the list of books -

I looked up the question  
of mentioning more books  
in the body of the MSS, but  
came to the conclusion

that there was too much  
of it already - It is of no  
general interest to be  
told that, - "It was at this  
time or in this year that  
I wrote such & such a

book or paper, & there  
are already 3 or 4 pages  
like this scattered through  
the MSS. - what do you  
think?

I shall hope to have a  
line from you about  
the matter soon after you  
return here -

With all kindest  
wishes,  
Yours very sincerely,  
Rankine
