

Sept-7<sup>th</sup> 1900.

8, GERALD ROAD,  
EATON SQUARE.

My dear George,  
Rankine gave me the  
very neat & interesting little  
book of views, taken by you  
at Metz. Thank you so  
much for sending it to me,  
it gives such a good idea  
of the place. The photographs

are doubly interesting to  
me now, as I hope and  
expect to be there myself  
next year - Rankine and  
I have decided to pack  
up our belongings and go  
out to Montreal - Baly and  
I will sail early next month,  
so that I can see about  
getting a suitable house,  
Then Rankine will come  
in about a month after  
us - we are both looking

forward with great pleasure  
to having you with us ~~often~~  
I hope you will always  
remember that a room,  
and a very warm welcome  
will be awaiting you  
whenever you can come to  
us - and you must look on  
it as a duty as of course  
you will have to see that

your little God daughter  
is being brought up in the  
right way - I was delighted  
to get Rankine home again,  
he is so much better, and  
and his foot is decidedly  
improved - With all good  
wishes in which Rankine  
joins - and again thanking  
you for the book & photograph  
yours always sincerely  
Geo M Dawson
