My dear George

The M.S.D. as my part is all one of mind the whole of last week was mostly occupied looking for a furnished house for Gb are difficulty being due of the unwillingness of holders to rent for two months. The one we secure is that above the G.M.C. It appals the College-fate on Sherb

It a very tastefully furnished house
now belonging to Mrs Riehl Mrs H.
Scott's daughter whose husband is
in the Insane Asylum. We got the
keys only on Saturday at 1/2 p. 1. o'c
It had every thing looking bright
& comfortable before G's appeared
about 6. She is so delighted & grateful
that our here work is fully rewarded
The little Margaret is a dear pretty,
mamma's child so like Pankine.
The reason P. remains is finish Courses
of lectures & Clinical practice he is taking
Now the search is to begin for a more
permanent house in wh to place fur-
niture

by the bank or ~~trustee~~ Nav. It will
be kinder to write a note of welcome
to Glv 81. Mc Gill College - Avenue.

I have too had two visits fr. Mr
Brunet. He barely admits there a mis-
take was made in the lettering but
has reduced the price of repolishing
the whole surface of the letter side
per \$25 extra. At his second visit
he was very pressing to be allowed
to repolish three sides of monument
& get off the ship. He said he would
have better when it was at the works
to do the three sides per \$36. than one
per \$25. I however stuck to the one
side offer. — Perhaps you may think
I am making a mistake.

He also promised to send a drawing to Cole showing lettering & distances. He is to put the top now at the top and the base as you suggested. If you have anything more to suggest please ^{write} now or father remain silent.

Today I also received a new cheque, in my own name, from the re-organization Com^{tee} of the Appleton Co with apologies mistake & delay. You Mr. & Mrs. Lawrence & Miss know of G's arrival I thank the former for two letters that I have not time just now to answer. It wd be the greatest pleasure to me to know that you were availing yourself of this nice fine weather to take some fresh air. All love from Mother.
