Dear George

Can you make it con-
 = venient to dine with us "en
 famille" on Monday next at
 half past six precisely? - to go
 with me afterwards to a concert
 or to the Polytechnic - just which
 you like best -

If Monday should be in the least
 inconvenient any other day in

the

the week will do just as well -

I am aware that you are em-
-ployed up to your strength - and
require evening-rest -

If you are employed in Oxford
Street up to 3 p. m. you need
not return to Brompton to tidy
yourself -

I have heard that you are comforta-
-ble in Halsey Street.

I am Yours sincerely

J. I. Biggby
