

Savink Han. Sep<sup>r</sup>. 3.

My dear George

I was much pleased to find that you had not forgotten me and kept your promise by sending a letter.

I have no doubt you were happy to see all the folks at home and be once more safe safe at home after all your wanderings.

I must say that I felt very lonely when I found you were really out to sea and I've left here. I wish it were so that I could go out to see you all at least once a week but we must be all thankful that we can hear and see each other occasionally. The large ship we got off very nicely and sailed out of the Port last

Saturday I went on Board  
to see for and was very  
much pleased with her appearance  
she was fit for the Pinest  
Ship I had ever on board  
Her Cabin was very large  
and handsomely fitted  
out she had 8 very nice  
state rooms and one of  
them quite a nice large  
Room fitted out expressly  
for Mr & Mrs Gaps who  
were going home and also  
going to take their eldest  
son and leave him in  
England to receive an  
Education they had a nice  
large Bed in the Room  
and handsome Couch also  
In the Cabin they had  
it handsomely furnished  
with side board cushioned  
seats all the Rooms were  
much carpeted and had  
very nice Corrid and Paved

Wok Painted White, with  
Pale Blue and Gold  
Trimming, I would have  
liked to have gone Home  
in her company, but much  
Mr. Hobbs had all his  
things on Board and  
a Steward engaged  
but when the Repell was  
ready he took much worse  
and was obliged to get  
his things taken on shore  
again and is now  
going by the Steamer  
I have seen of some  
more Picuris and  
have been at some  
of the shores but have  
not found any more  
shells but before I go  
on to Canada some  
time I must see if  
I cannot collect some  
shells for Anna and  
you also

I seen some very pretty  
presed Sea Reed which a lady  
picked up about Richibucto  
I wish I could get some  
like them here but I have  
never seen any sea reeds about  
the Bay of Amory

You will please give my  
kind regards to your Papa  
and Mamma and my love  
to all the Children I would  
like to see you all very much  
and hope to do so before  
another year passes over  
us hoping to hear from  
you soon I remain  
Yours very sincerely  
Signes

Master G. M. Dawson
