Dear J. Dawson

Your letter of 6th inst.
and the two packets of
U.S. have reached me
today and I write at
once to thank you for them
and to express the great
pleasure which my first
customary personal of the U.S.

has given me. It is
 evidently quite what I
 wanted and seems admirably
 done. I will write
 again if anything should
 require modification

In the meantime, would
 you kindly supply a few
 paragraphs about the
 Falkland Islands & can-
 -plete the account [

an Atlantic Island.

I had already thought
of the possibility of printing
your portion of the book
as a separate publication
in addition to the "Colonies"

I shall talk this over
with the publisher &
write again about it

Yours ever truly
Arch. Geikie

I write to you a day or two
ago about the illustrations
