Dear Dr. Dawson

Your letter of 25<sup>th</sup>  
ult. with the last of the  
proposals reached me this  
morning. I am sorry to  
find that the U.S. had  
not been returned to you with  
the proposals. I sent it to  
you a few days ago and

perhaps you will kindly  
check the figures as  
you receive the final  
proof in bags with  
cuts inserted.

You were duly elected  
into the Royal Society  
last Thursday to our great  
satisfaction  
Yours ever truly  
Archibald
