My dear Dawson,

I am glad to hear  
that you are in London &  
that there is a prospect of our  
meeting after so many years.

Will you come & stay with  
us? If you find an hotel  
more convenient for your  
business engagements you

might still be able to come  
to us for a part of your stay.

In the meantime will  
you come & dine at 7 o'clock  
any day you like to name  
except Friday next.

Yours Very truly  
Arthur A. Phillips.

---

might still be able to come  
to us for a part of your day  
for the present but  
you can't come at 7 o'clock  
any day for the present  
except Friday and

Yours very truly  
William P. Phillips
