Dear Dr. Dawson

I regret that I have
been so tied down with
engagements that I have
found it impossible to
go through the form of
calling upon you at the
West Palace Hotel - I
write now to ask you
to be kind as to let

we know when you return
to London and how long
you stay that we may
arrange a day on which
you will come and
dine quietly with us and
meet one or two geological
friends. Congratulations on the C. & G.

Yours sincerely

T. G. Bonney

P. 1 Please let me know as
soon as you can, as we have
several engagements next
week and I have to be
away for some days toward
the middle of June -
