My dear Dr. Gorge,

We were much disappointed
at not seeing you on your arrival
from America, and we shall be grievously
disappointed if you do not stay some days
or weeks even with us before you return
home. If you are bound to return
by a fixed date, and cannot defer your
departure till a later boat, I hope you
will get down to Rock Ferry as soon as
possible, we are all anxious you should.

Believe me

Yours sincerely
