June 7. 1892.

My dear Sir

I heard from my  
son that we might  
have the pleasure  
of a visit from you.  
and in reply to your  
letter I am very  
pleased to find that

Such is the Case -

It will give me &  
Mrs. Fletcher great  
pleasure to receive  
you for as long time  
as you can spare,  
will you kindly send  
me a line the day  
before, so that I may  
not be away from  
home -

We are ever yours

from the Crystal  
Palace Station -  
from Victoria - we think  
the Brighton line the  
best - to the Low Level  
Station - If you could  
give me the time of  
your arrival probably  
I shall be able to  
meet you =

Yours very truly  
J. Fitzroy Fletcher
